As we have been reporting, on October 31, 2010, the former President of the Republic announced the expropriation of plants and other industrial assets owned by the subsidiary Siderurgica del Turbio, S.A. "Sidetur" ("Sidetur"). On November 3, 2010, Presidential Decree No. 7786 dated November 2, 2010 was published in the Official Gazette No. 39,544 (the "Expropriation Decree").

In late October 2012, as promptly informed, the National Executive adopted the following measures: (i) the appropriation and transfer of available funds in bolivars in Sidetur's bank accounts to the account of the State-owned company "Complejo Siderurgico Nacional, S.A." at Banco de Venezuela; and (ii) the occupation of the industrial assets of said subsidiary by the aforementioned State-owned company. Such measures were taken in violation of the provisions of the Law of Expropriation for Public or Social Purpose (Ley de Expropiación por Causa de Utilidad Pública o Social, "Expropriation Law") and, in any case, without a court order or any authorization or judicial proceeding.

On November 6, 2012, in the Official Gazette of the Bolivarian Republic of Venezuela No. 40,044 Resolution No. 089 of the Ministry of the People's Power for Industries ("MPPI"), dated October 25, 2012, was published, such resolution appoints the new members of the Temporary Administrative Board for the subsidiary Sidetur, in execution of the Preventive Measure of "Occupancy and Temporary Operability and Appointment of Administrative Board" agreed by the extinct Institute for the Defense of the People's Access to Goods and Services (Instituto para la Defensa de las Personas en el Acceso a los Bienes y Servicios "INDEPABIS").

On July 26, 2013, Deutsche Bank, acting as Trustee, notified the bondholders as well as Sidetur (i) that there had been a default due to the non-payment of the principal installment due on July 20, 2013, (ii) that there had been a default due to the lack of sufficient funds in the Reserve Account, (iii) that the issuer had defaulted in the payment of interest due on July 20, 2013, which will become a default if such payment does not occur within the following 30 days, and (iv) that, for the moment, it would not take further actions unless certain holders, defined as "Required Note Holders", would require it to do so, noting that in order to act, following any request or instruction, such holders should furnish to the Trustee security or indemnity reasonable satisfactory to it against the cost expenses and liabilities that might be incurred by it. Later, on April 29, 2016, the referred to Bank, through a letter dated April 27, 2016, notified holders of the 2016 Bonds guaranteed by Sidetur (i) that a new event of default had occurred due to the

In the referred claim, the Office of the Attorney General, also requested an innominate judicial measure of "Occupation, Possession, Use and Administration" over Sidetur's real property, movable assets, consumable inventories, warehouses, vehicles and improvements, which was granted by the aforementioned Court.

At the end of July of this year, Sivensa received information regarding the filing of two (2) lawsuits against Sidetur Finance B.V. and Sidetur before the Supreme Court of the State of New York of the United States of America on July 19, 2019, for the non-payment of the financial obligations derived from the bonds issued in 2006. #### ANALYSIS OF THE QUARTER RESULTS

The Sivenza's consolidated results mainly include the operations of the filial Sidetur and the operations of the filial IBH, corresponding to the three-month periods ended on June 30, 2023 and 2022.

The consolidated results in bolivars for the quarter ended on June 30, 2023 to which this Report refers, were adjusted for inflation as of that date, (except the results of the subsidiary IBH which are presented at historical values due to the fact that its functional currency is the US dollar).

The most significant aspects of the consolidated income statement are described hereunder:

- a. OPERATING LOSS: In the April-June period, Sivenza's loss in operations was Bs. 4,279,119, compared to the loss of Bs. 23,234,911 in the same period of 2022. The decrease of Bs. 18,955,792 is mainly due to the positive variation of Bs. 16,964,646 in the "Other operating

income (expenses), net” account, and by a decrease of Bs. 1,991,146 in “General and administrative expenses”.

- b. NET PROFIT (LOSS) FOR THE QUARTER: During the third quarter of fiscal year 2023, this profit was Bs. 16,200,264, compared to the loss of Bs 40,186,686 in the same period of the previous year. This positive variation of Bs. 56,386,950, is mainly explained by the net of: i) the decrease in operating loss as explained in the previous paragraph; ii) the increase of Bs 2,441,784 in the financial expenses for the year, primarily denominated in US dollars; iii) the increase of Bs. 1,838,396 in financial income for the year, primarily denominated in US dollars; iv) the decrease of Bs. 2,709,654 in the item “Exchange loss, net”, with respect to the one recorded in the third quarter of fiscal year 2022; and v) the increase in Bs. 35,324,890 in the monetary gain, these last two variations due to the increase in the inflation rate above the applicable exchange rate (Bs. per 1 US\$) to translate transactions and balances denominated in US dollars into bolivars, using the exchange agreements in force during the quarters ended on June 30 2023, as explained above. On the contrary, in the quarter ended June 30, 2022, the percentage increase in the applicable exchange rates (Bs per US\$1) to translate transactions and balances denominated in US dollars into bolivars, was above the exchange rate inflation used in said quarter. The net income for the quarter includes the results of operations of Sivensa and its subsidiaries before the participation of the minority shareholders, mainly in the net results of the subsidiary IBH.
- c. NET INCOME (LOSS) ATTRIBUTED TO THE SIVENSA'S SHAREHOLDERS: This output in the third quarter of the fiscal year 2023 was a profit of Bs 16,184,402, compared with the loss of Bs. 40,186,748 registered in the same period of the previous year. This positive variation of Bs. 56,371,150 is mainly explained by the net profit (loss) of the quarter commented above. The net profit (loss) of the quarter attributed to the Sivensa's shareholders, includes the results of the operations of Sivensa and its subsidiaries, after the participation, mainly, of 31.46% of the minority shareholders of IBH in the net results of said subsidiary for the three months period ended on June 30 2023 and 2022. In said periods, that participation was a profit for the minority shareholders of Bs. 15,863 and of Bs. 61, respectively.

## INTERNATIONAL BRIQUETTES HOLDING (IBH)

### NATIONALIZATION OF VENPRECAR AND ORINOCO IRON SUBSIDIARIES

Despite efforts to pursue negotiations with the public sector involved in the process of nationalization of Venprecar and Orinoco Iron, It has not been possible up to this date, to reach a deal with the Government to set up a working schedule in order to negotiate a fair price for assets subject to nationalization. On July 9, 2013, the subsidiary International Briquettes Holding (IBH) filed a request for indemnification (compensation) against the Bolivarian Republic of Venezuela, before the Ministry of the People's Power for Industries, as a result of the de facto expropriation of the equity interest that such subsidiary holds directly and indirectly (through IBH de Venezuela, C.A.) in the corporations Venprecar and Orinoco Iron, whose operational control and management were unilaterally and exclusively taken over by the Venezuelan state, without complying with the procedure set forth in the Expropriation Law, or having paid the timely, fair and integral compensation. As of this date, the aforesaid Ministry has not issued any statement regarding that request.

In the Extraordinary Official Gazette of the Bolivarian Republic of Venezuela No. 6,119, dated December 19, 2013, the Presidential Decrees of same date, related to the briquetted-iron companies Venprecar and Orinoco Iron (both affiliates of the subsidiary International Briquettes Holding (IBH) were published, namely: (i) Decree No. 695, pursuant to which the movable assets, real property and improvements used for the operation of Venezolana de Prerreducidos Caroni "Venprecar" C.A. and its subsidiaries are subject to forced acquisition, as they are considered essential for the execution of the Work "Fortalecimiento de la Transformación del Mineral de Hierro y Generación de Briquetas en Caliente que Contribuyan con el Sector Industrial Siderúrgico" ("Strengthening of Iron Ore Transformation and Hot Briquettes Generation that Contribute to the Iron and Steel Industrial Sector"); and (ii) Decree No. 697, pursuant to which the movable assets, real property and improvements used for the operation of Orinoco Iron, S.C.S. and its subsidiaries are subject to forced acquisition, as they are considered essential for the execution of the Work "Fortalecimiento de la Reducción Directa del Mineral de Hierro y Generación de Briquetas en Caliente que Contribuyan con el Sector Industrial Siderúrgico" ("Strengthening of Iron Ore Direct Reduction and Hot Briquettes Generation that Contribute to the Iron and Steel Industrial Sector") (the "Acquisition Decrees").

Within the timeframe set forth in Article 22 of the Expropriation Law and in the text of the aforementioned notices, the attorneys and judicial representatives of IBH and its subsidiary IBH de Venezuela, C.A., appeared before the Office of the Attorney General of the Republic in accordance with the provisions of

RIF J-000346720

the said article and presented their written allegations in two separate documents laying out the legal and factual arguments that, in their opinion, justified the unenforceability of such Decrees under the terms in which they were framed, considering that in February 2010 the Venezuelan State assumed, unilaterally and exclusively, the operational control and management of Venprecar and Orinoco Iron for the purposes of their transformation into State-owned companies.

On June 10, 2014, IBH de Venezuela, C.A., holder of legitimate interests as owner of 79.649740% of the equity interest in Venprecar and Orinoco Iron, filed before the Political Administrative Chamber of the Supreme Court of Justice two judicial recourses for the annulment of the aforesaid Acquisition Decrees.

On December 11, 2014, the aforementioned Chamber of the Supreme Court of Justice, as a result of the request for joint trials presented by the representative of the State, suspended the trial hearings schedule for both cases. Subsequently, on August 3, 2017, the aforementioned Chamber held that the request for joint trials should proceed as requested. On a later date, on June 12, 2018, the aforementioned chamber of the Supreme Court set the Trial Hearing for July 12, 2018, which was held on the established date and where the attorneys of IBH de Venezuela, C.A., presented the arguments and evidence they deemed pertinent in agreement with the Judicial Representative of said affiliate, filing the corresponding written arguments.

On August 7, 2018, an interlocutory ruling was issued by the Substantiation Court of the Political-Administrative Chamber of the Supreme Court of Justice, which admitted certain evidence promoted by the aforementioned attorneys, who on September 18, 2018 and in agreement with the judicial representation of the subsidiary IBH de Venezuela, C.A., partially appealed the aforementioned judgment before the Political-Administrative Chamber of the Supreme Court of Justice. On May 14, 2019, the aforementioned Chamber of the Supreme Court of Justice issued a judgment dismissing the referred partial appeal. Subsequently, on the date set for the filing of final briefs (March 10, 2020), the attorneys of IBH de Venezuela, C.A. proceeded to file before the Political-Administrative Chamber of the Supreme Court of Justice, the written summary of conclusions in the course of the aforementioned judicial recourses for the annulment of the said Acquisition Decrees.

On March 11, 2020, the Political-Administrative Chamber of the Supreme Court of Justice noted in the case file that the trial had entered the sentencing stage.

As reported on March 3 of this year by notice of a Relevant Event, our subsidiary IBH de Venezuela, C.A., was notified on March 2, 2022 of the ruling issued by the Political-Administrative Chamber of the

Supreme Court of Justice of February 10, 2022, identified with No. 00019, in which the annulment claims filed by IBH of Venezuela against the Acquisition Decrees were dismissed. The aforementioned judgment and its ex officio amendment of March 9 of the same year by means of judgment No. 0073, which did not affect or modify the substance of the decision (declaration of dismissal), are available on the website of the Supreme Court of Justice (<http://www.tsj.gob.ve>).
